TRAINING OF TRAINERS: HIV & STD UPDATES FOR YOUTH WORKERS

Tuesday, August 18, 2009
9 am – 3 pm

This workshop is designed to provide updated information on HIV/AIDS and STDs to staff that provide educational sessions to youth on these topic areas. A variety of activities to communicate this information to youth will also be discussed during this workshop.

Participants will receive:

- A trainer manual (including a PowerPoint presentation)
- A trainee manual so that they can implement training programs within their agencies
- Additional resources

Facilitated by Wendy Ramsay, MST &
Jeanette O'Connor-Shanley of REACH CNY

Target Audience
Supervisors, HR Staff
and anyone else
responsible for
training others.

Workshop Location
Liberty Resources
(new conference facility)
1045 James St.
Syracuse, NY 13203

Lunch will be provided

The Syracuse Area HIV/AIDS Technical Assistance Program is part of a national pilot initiative to support the development of innovative, locally-based methods and models to:

- Increase the number of community-based, minority-serving organizations with the administrative and leadership capacity to address HIV/AIDS issues on a sustained basis
- Increase the number of community-based, minority-serving organizations with the programmatic capacity to provide appropriate and effective HIV/AIDS services
