

# Save the Date...

## Information Sessions

New & Exciting Professional Development Opportunity!

The Syracuse Area HIV/AIDS Technical Assistance Program seeks to build a local training capacity in motivational interviewing (MI). This program will offer basic and advanced MI trainings with group and individual-level supervision. Trainings and mentoring will be conducted by Kathleen Sciacca, a MI trainer with more than 30 years of clinical experience. Interested providers and practitioners should attend an information session to learn more or request a program description.

# Motivational Interviewing

*Learning Community*
